VIDEOTAPE SESSIONS ORDER FORM/ AGREEMENT

Dear Somatic Experiencing® participants,

We are pleased to make our session library available to Somatic Experiencing® participants at this time. We do this with the deep hope that participants, both individually and in groups, can study a variety of Somatic Experiencing® sessions demonstrating the progression of work over time. It is our belief that the study of these tapes will be a major vehicle in learning and assimilating the essence of Somatic Experiencing®.

To protect the privacy of clients who have graciously consented to be filmed, any student who wishes to rent from the library must agree to the following to ensuring the confidential nature of these tapes.

1. I will not show or discuss any videotape or its contents with anyone except another student of Somatic Experiencing® as designated by the Foundation for Human Enrichment or Peter Levine.
2. I will not duplicate any videotape for any purpose.
3. I will return all videotapes within the time periods outlined above.
