**NOTES:**

- **3 hours of Group Case Consultation is equal to 1 Credit Hour of case consultation.** For all individual sessions: 1 hour session = 1 Credit Hour.
- Participants must receive a **minimum of 4 hours** of the required 18 credit hours of Case Consultation in an **Individual Case Consultation** format. This will insure that all requirements will not be met without a participant ever personally presenting a case.
- Participants must have a **minimum of 6 credit hours** of the required 18 credit hours of **case consultation with an Institute faculty member**. This can be either in the Group or Individual Case Consultation venue.
- The Somatic Experiencing® Trauma Institute encourages participants to obtain sessions from a variety of providers so that you may benefit from their experience of being taught by the various members of the Institute faculty.
- **Please forward original logs to the Institute upon completion of total required hours for SEP certificate. Keep a copy for your records; participants are responsible for tracking their own session hours.**
