Description of Workshop ( 50 words or less):

In Part 1, February 1-5, we will explore trauma and attachment experientially as a doorway to our essential selves. In Part 2, February 5-7, we will prepare clinicians, therapists, and spiritual teachers to use this teaching in their work with individuals. For complete information, see: [www.GuestHouseCenter.org](http://www.GuestHouseCenter.org)

Presenter: Diane Poole Heller, PhD
