Preparation: It is important to attend the full four days for the optimum learning experience. If you must leave for any length of time during the training, please inform the coordinator, an assistant, or instructor, as our concern is for your well-being.

Registration: Registration for this training is through Linda Moyer at linda@turtletrax.com

Cost: The cost should be \$775 plus HST. Early registration, before Feb. 2/12 is \$725 plus HST

Sessions: For an additional fee, assistants will be offering individual SE sessions in the mornings before the training, during lunch breaks, and in the evenings. Session sign-up sheets will be available at the training. Many participants find individual sessions helpful at this time in order to process material that may come up during the training. Additionally, these sessions may apply towards obtaining the Somatic Experiencing Practitioner Certificate (SEP) program, which requires a total of 12 hours of personal sessions from SE Trauma Institute approved providers.

Consult: Group Case Consultations will be discussed and organized following the Beginning One module.
