You will Learn in this workshop:

The hallmarks and relational expressions of Secure, Avoidant, Ambivalent and Disorganized Attachment models in Somatic Attachment.

To Identify how over-coupling dynamics between early childhood “family of origins” attachment patterns may play out in adult relationships.

The use of Corrective Experiences to aid in resolving fixed attachment patterns.

How to facilitate ” Earned Attachment”: a return to healthy Secure Attachment that occurs as you repair and heal early bonding wounds.

Find new ways to release the past so you can live and love fully and abundantly in the present.
